The Rising Artist Award

“FocusMusic is pleased to announce that applications for the Heyman Rising Artist Award are open! FocusMusic created this award to recognize and support an up-and-coming artist. Previous winners have been Goldpine and Tina Ross.

Vic and Reba Heyman were more than the ultimate folk music fans. For decades, they attended concerts and festivals across the nation, supporting artists with their energy as well as financially, earning them the affectionate title of “folk angels”. Their generosity in things both tangible and intangible was career changing for many artists, especially those early in their careers.

In their spirit, this award recognizes and supports a rising individual or group in the folk community. Eligibility includes performers that have only one initial release* and have not previously won or placed (1st , 2nd , or 3rd) as a new artist in a national music competition. Applications must include two YouTube links of a live performance and a statement from the artist summarizing their background and vision of themselves as it relates to folk music. Winner will receive a \$1000 award to be used towards an upcoming recording with a planned release within the next year.

There is no fee to apply.” To apply visit [RisingArtistAward](#)

If you are looking for a **place to play, perform, or just go listen**, there are LOTS of venues to explore! For more information check out: <https://weekendbroward.com/live-music/>. If you are hosting a show, you can add your events to this list as well.

If you are hosting an **open mic** and want us to help promote your event, send details to sffamc@gmail.com. We want to expand our listing of open mics and other opportunities for members and friends to get together and play. We would especially like to add events in Dade and Palm Beach Counties (and additional locations in Broward of course).

HELP NEEDED!!! We are looking for a Broward Location to host our **JULY song swap on Sunday, July 21st**. If you have the space for people to come play at your home (indoors) please let us know ASAP. Thanks!
